The Statements of Attainment issued by RAISE Training are accredited under the AQF (Australian Qualifications Framework) and recognised nationally by industry and other training providers.

Version 4 10.01 01/2015

About the course

The course provides the skills and knowledge required to apply fatigue management strategies, including identifying and acting upon signs of fatigue and implementing appropriate strategies to minimise fatigue during work activities, in accordance with legislative and regulatory requirements.

Learning Outcomes

Successful completion of this fatigue management course will enable participants to:

- Identify and act upon signs of fatigue
- Implement strategies to minimize fatigue
- Personal fatigue management strategies are communicated to other relevant people
- Personal warning signs of fatigue are recognised and necessary steps are taken in accordance with workplace procedures to ensure that effective work capability and alertness are maintained
- Potential causes of fatigue are identified and action is taken to minimise their effects in accordance with company procedures

A Nationally Recognised Statement of Attainment for TLIF2010A Apply fatigue management strategies is issued to successful participants and helps demonstrate a workers approach to due diligence requirements as well as environmental management.

Course Duration

This course is completed in six (6) hours.

Course Cost

The full cost of the course is **\$245**.

Booking and Payment Options

Course costs are to be paid in full prior to the course.

- Send cheque or money order prior to training program/course commencement; or
